

Through their charitable support, our generous donors help to ensure the comfort, hope and dignity of our entire resident family. The items on this wish list can make a special difference in the quality of life enjoyed by our residents.

This list enables you, the donor, to select and designate how your charitable gift is used. You may also commemorate a loved one through the donation of one of the items. The list offers a wide variety of items and costs. Please consider these needs and wishes as opportunities to serve as a permanent testimony to your interests and values. Wish list items will...

- ♥ increase mobility and meaningful activity of those who make their home in one of our facilities
- ♥ provide an enjoyable environment
- ♥ add to the quality of life
- ♥ be beneficial to their care and treatment

Willow Brook Wishes items are a means of charitable support. They do not provide the donor with special privileges, but they *do* provide tax deductions to the fullest extent of the law.
