Tuition Assistance	\$20,000/year	Willow Brook Internal TV Station Additional Equipment (3)	\$500 each
Through generous donations, this program offers financial help to qualifying employees in furthering their education in fields related to retirement services and long-term care. The education may enhance the employee's skills and knowledge in his/her current position or provide new skills and training for professional growth within the organization. Of special interest is providing assistance to employees who wish to attend nursing school.		Additional equipment needed above and beyond equipment provided by Time Warner, to provide television signal to Channel 2 – Willow Brook internal TV station. Would be used to enhance communication with residents, including schedules, events, activities, church services, community events, communications in case of emergency and endless other opportunities.	
Resident Computers (5)	\$1,500 each	Net Books (6)	\$500 each
Apple iMac all-in-one computers with Windows and Mac operating systems supported. Built-in Skype video conferencing as well as wireless keyboard and mouse. Enhanced usability for people with sensory challenges. One such computer has been donated for Willow Brook Christian Village, but would like a total of two at each of the three communities (Willow Brook Christian Home, Willow Brook Christian Village, and Willow Brook at Delaware Run).		Net Books for Assisted Living residents and guests, both for possible physical therapy for residents as well as providing access to residents who might not be able to easily access the computer center at their facility. Would like a total of two at each of the three communities (Willow Brook Christian Home, Willow Brook Christian Village, and Willow Brook at Delaware Run).
