Willow Brook Locations

Located in the heart of the heart-shaped state, Willow Brook's three communities are all within 15 miles of one another. In Delaware, Ohio, Willow Brook Christian Village is on the southern edge of town, nestled just off US 23 behind the State Highway Patrol building. You can see the patrol's communications tower near our sign as you drive up to the light at Cottswold. A Bob Evans restaurant is on the southeast corner; you should go west.

Willow Brook at Delaware Run is just a couple miles west of downtown Delaware on US 36, also known as William Street. Head west out of town, cross over the railroad tracks, and go past the Friends church on your right; then you can see our new community under development.

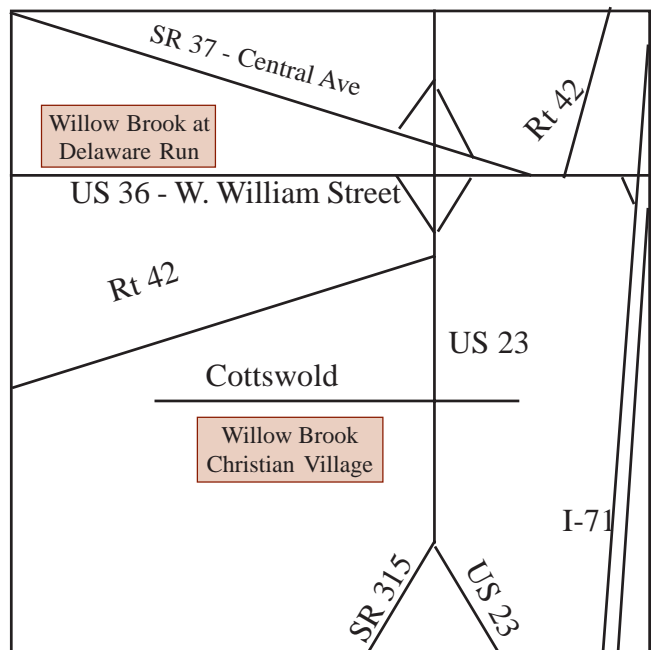

On the Delaware County edge of Worthington, Willow Brook Christian Home is a block north of the traffic light for East Lazelle Road and between the Wendy's and Shell gas station on the "old" Lazelle Road. The first entrance, by the sign, is the main entrance. Assisted living can also be entered just up the hill.
