**Willow Brook Christian Village at Delaware Run**

March 2, 2006

**Next Rally: Thursday, March 16  
2:00 p.m. in the Terrace Room at  
Willow Brook Christian Village**

**H**ave you driven by Delaware Run lately? The construction site is transforming into a gorgeous neighborhood, right before our eyes. Some of our twin-single homes are nearing completion, and first residents should be moving in this spring. *Willow Brook Christian Village at Delaware Run* – the dream – is coming true!

Landscape plantings and trees are going in. We are reforesting some rather large areas of the campus. Already several hundred trees have been planted. In years ahead, we will watch these areas grow into lush green woodlands, to complement the trees that already are there.

## **If you just tuned in...**

Willow Brook is building its second retirement community in Delaware, Ohio, just three miles from our first, *Willow Brook Christian Village*. As with the first, Delaware Run will have twin-single homes, apartments, a healthcare center, and a campus center with a restaurant, library, fitness center, and all the rest. For information, call Carol at 740-369-0048, or check us out on the web at [www.willow-brook.org](http://www.willow-brook.org).

## **Temporary office...**

We are planning to open a temporary office in one of the twin-single homes, 25 Delaware Crossing East, the second home on the left as you drive

in the main entrance. Carol Calkins, our Delaware Run manager, will be moving there as soon as it is ready. We are setting up an apartment for Carol in the back part of this home, so we will have 24-hour staff on site from the beginning. When the main campus center is complete, the office and Carol's apartment will be moved there.

### **Church next door...**

Immediately east of the campus, just to the right of our main entrance, is Valleyview Evangelical Friends Church. These people are terrific! Already they have made their fellowship hall available to us for a couple of functions. In the early months of Delaware Run's operation, until our campus center is open, we will be able to use their facilities for gatherings. If you know Pastor Wally White or others from this church, be sure to express your thanks.

### **The next Rally...**

Plan to join us for our next Rally on Thursday, March 16, 2:00 p.m., at our first campus, *Willow Brook Christian Village*, on Delaware's south side. If you have never been to one of these events, you are in for a surprise. Usually a hundred or more attend, and you will find the mood to be as the name implies – lots of energy and enthusiasm. We will give you the latest news on Delaware Run. Plus, you'll have a chance to meet dozens of your future neighbors. We'll offer tours of apartments and twin-single homes. And after the Rally we will be conducting narrated bus tours at the Delaware Run site. If it has been a while since you were there, you will be amazed and pleased with the progress you see.

*We feel that all our efforts today – and your commitment to move in with us – are helping to create a place where old friends can retire with peace of mind and security. Willow Brook isn't a big high rolling commercial venture. We are just a group of down-to-earth people who are seeking ways to serve those in their retirement years.*

*Willow Brook is not-for-profit and church related, and we believe that makes all the difference in the world. Come join us!*

*With love to all,*

CEO
